Dear Parents,

Regulations from the Mass. Department of Public Health require that all students in Kindergarten have an eye examination from their own pediatrician before the beginning of the school year.

If your child's pediatrician does not perform the exam, please ask them for an ophthalmology referral. This is a mandatory law.

If there are any questions about this, please feel free to contact me at (508) 753-3210 x6.

Thank you for your cooperation.

Sincerely,
